

EARN EXTRA INCOME WITH THE HOMECAREONTHEWEB REFERRAL ASSOCIATE SCHEME

HomeCareontheWeb, the Costa del Sol's leading property management, rentals, and sales company are inviting 'Women in Business' members to join our successful '**Associate Referral Scheme**'.

The scheme is *free to join* and offers you the chance to earn some valuable extra income - simply for referring people who may be interested in our company's premium property management, and holiday and long-term rental services – or even in buying a property through us.

With the level of referral commissions on offer, you don't need to recommend many people to soon start generating some real additional income.

What's more, if you have your own website, you can generate extra revenue '*while you sleep*' by placing a link from your site to our www.homecareontheweb.com site.

Visitors to your site who click through to our site will be registered as having been sent by you, and once they contract one of our company's services, you'll automatically qualify for your commission.

The Associate Referral Scheme is already proving to be lucrative for a number of local companies, for example:

- an estate agent recommending clients for holiday rentals
- a lettings agent referring people for long-term lets
- a property company sending clients to us for management.

Because of the quality of service we provide, you know that whomever you refer will receive the best possible service and be well looked after by our team of friendly professionals.

Here's what one referred client had to say to the company who had recommended us for property and rentals management: *"Thank you for your excellent recommendation to HomeCareontheWeb. We are very impressed with their organisation. Their websites for clients and customers are very well organised and they seem to have put a great deal of effort into marketing with travel companies. They also seem to provide a personal but very professional service which is exactly what we were looking for."*

To find out how easy it is to join and start generating some extra revenue for your business, simply visit www.homecareontheweb.com/associate.

Alternatively, if you would like to speak to someone personally about the levels of commissions that are available and how the scheme can benefit your company, please call our Managing Director, Tony Sidebottom on **+34 952 83 95 95** or email him at tony@homecareontheweb.com.

We look forward to working with you.

Kindest regards,
